CEO'S MESSAGE FOR COP28

Get ready for an electrifying journey as COP 28 looms large in Dubai! Prospero is stepping up its game poised to shine the spotlight on Zambia and showcase the transformative power of our innovations in tackling climate change challenges for SMEs. Brace yourselves for a riveting narrative of success stories, where we've not just developed but forged robust partnerships that are leaving an indelible mark on the sustainability agenda.

Picture this: a groundbreaking pilot project in Zambia, navigating the labyrinth of International Climate Financing innovation. Thanks to funding from the Foreign, Commonwealth Development Office and collaboration with our esteemed partners, Zambia Industrial Commercial Bank (ZICB), our initiative has proven to be a game-changer. Imagine derisked funds flowing to SMEs in Zambia, achieving a jaw-dropping 300 basis points lower than prevailing lending rates. This success story is just the tip of the iceberg, and at COP, Prospero is set to unveil Zambia's triumphs in partnership synergy, perfectly aligning with Sustainable Development Goal No.17.

Our mission at COP 28 transcends mere participation; it's a relentless pursuit fueled by past triumphs. Brace yourselves for an unabashed advocacy campaign, compelling owners of capital and sustainability champions globally to turn their gaze toward Zambia.

In the pulsating heart of COP, let's unite in our shared vision, ensuring that Zambia emerges as the unequivocal choice for those who believe in the power of capital to drive sustainable change. The stage is set, the stakes are high, and Zambia is ready to claim its spot as the beacon of sustainable investment
